## About Shelter Harbor

Located in Westerly and Charlestown, Rhode Island, Shelter Harbor Golf Club is rated the #3 private golf course in Rhode Island by Golf Digest.

The par 71, 7006 yard layout is a signature design of noted golf architects Dr. Michael Hurdzan and Dana Fry. With wide generous fairways and challenging approach shots, the course provides a magnificent golfing experience for golfers of all levels. The clubhouse is set into the crest of one of the highest promontories in all of the state, and enjoys unparalleled views of the course and surrounding countryside.

As a private club, Shelter Harbor Golf Club restricts the number of golf outings held there each year. We were delighted to host our first tournament here in May 2011, and look forward to another memorable event in 2018.
